Want Your Money Quicker?

Due to the changes to letter services at Australia Post, the increase in stamp costs and the ever increasing delays in delivery times, Hayes & Co are looking to utilise electronic facilities to ensure quick and accurate delivery of information, documentation and payment.

For these reasons, where possible, we urge you to consider email as the best method of receiving your paperwork. No more having your paperwork lost in the post.

With electronic banking, Hayes & Co can pay your funds directly into your nominated bank account on the due date. No more waiting for cheques in the mail.

If you are not already using these facilities, complete the form below with your details and return to the Hayes and Co office.

Thanks
