

get the right cover for your business

If you've ever looked into Insurance, you've probably noticed there are multiple cover types and options. That can make it hard to know what you really need (and what you don't). Thankfully there is an easy way to get the right cover and advice for your business.

A Resilium Adviser gets to know your business and your unique risks. With that insight, and their knowledge of your industry, they can tailor a business insurance plan that suits you.

about us

FIS Insurance Services has been providing quality insurance advice since 1991. Servicing Queensland, our dedicated loyal team of qualified staff have an **“old school drop tools service”** mentality to all new and existing clients which is what our business success has been built on.

We have passionate, highly motivated staff who are dedicated to providing you with professional personal advice, ensuring peace of mind for you and your business.

From quick in house quotes to detailed tailored insurance packages to suit your needs, we are always available whether it be after hours or on-site visits.

our core values

- **Service**
- **Honesty**
- **Integrity**
- **Loyalty**
- **Commitment**

Our core values define how we want to conduct ourselves and our business. They help us to create value and the best possible service to our clients.

why use us?

Good advice is about defining your goals, both immediate and long term, and recommending solutions that fit your circumstances to achieve those goals.

Good advice can:

- Give you direction and control
- Save time
- Manage your risks
- Stop you from making expensive mistakes
- Give you peace of mind
- Protect your business

Insurance Advisers provide advice and assistance to help make sure you have the right protection. They understand the technical details and can advise on the right amount and kind of cover for you and your business.

Advisers also lodge your claims and follow them through from start to finish. We can act on your behalf and dispute any claims decisions made by the insurers should they fail to meet your expectations.

We understand the insurance market and can negotiate competitive premiums for you and your business from a variety of quality insurance companies.

An Insurance Adviser is a huge asset to have when dealing with the increasing threats to your business in the ever changing world we live in.
