Vader

Vendor: Loganlea State High School

DOB/Age: 2/10/2021

Breed: Brangus

Poll/Horned: Scur

Registered: No

Semen Test: 93% Morphology

Scrotal size: 38cm

Sire: Cocheran Angus bull

Dam: Grey Brahman

Vendor Comments:

Vader has a standout temperament due to being raised by Loganlea State High School students, he will melt for you with a simple head scratch. Vader's exceptional demeanour will be an asset to any herd. This "fridge on legs", is blessed by the best genetics from sire and dam. Depth and length through the body, tidy underline, straight back, high growth rate and plenty of bone will reinforce these desired traits through your calves. Strong stance and width through his hind quarters coupled with his exceptional morphology results will deliver longevity of high calving percentages. At 23 months old he will develop into a well-rounded bull. Vader is a beef powerhouse that will bring genetic muscle to any offspring. Vaccinated for Pestigard, 7in1 and 3 day.
